KEEP YOUR HOME RUNNING SMOOTHLY

Simple care tips from [Your Business Name] — tear off & keep on the fridge

Questions? Call us at [Phone] — we're happy to help, no obligation.

MONTHLY

Change HVAC filters; test smoke & CO alarms; run unused faucets for 1 minute.

EVERY 3 MONTHS

Clean faucet aerators; check under sinks for drips; clear dryer vent lint trap housing.

EVERY 6 MONTHS

Flush water heater sediment (or book us to do it); test GFCI outlets; clean gutters.

YEARLY

Book a full system tune-up; inspect caulk around tubs/windows; check attic insulation.

WATER SMARTS

Know your main shut-off valve location. A small drip today can be a big repair tomorrow.

WHEN TO CALL US

Unusual noises, rising utility bills, slow drains in multiple rooms, or no hot water — call early.
