TEEN SERMON NOTES

Listen • Sketch & Apply Sheets

A sermon is easier to remember when you do something with it.
Listen for the big idea. Sketch what you hear. Pick one way to live it out.

IN THIS SAMPLE — 3 PRINTABLE SHEETS

- ✓ **LISTEN** — Passage, main points, key words & questions
- ✓ **SKETCH** — Doodle boxes to draw the sermon — stick figures welcome
- ✓ **APPLY** — One action this week, a prayer prompt & a verse to memorize

Print double-sided or single-sided. Works with any sermon, any translation.

SHEET 01 • DURING THE SERMON

LISTEN

Write fast. Catch the big idea — you can fill in details later.

DATE	SPEAKER	PASSAGE	SERIES / TITLE

Main Points — What is the speaker actually saying?

KEY WORDS & WHAT THEY MEAN

A LINE I DON'T WANT TO FORGET

Write it word-for-word if you can.

✦ Something that stood out to me:

? A question I want to ask or look up:

SHEET 02 • DURING OR RIGHT AFTER THE SERMON

SKETCH IT

Drawing helps you remember. Boxes, arrows & stick figures count — this is not art class.

HOW IT WORKS: Pick a box, draw what you hear, label it in 2–3 words underneath.

DRAW THE MAIN IDEA

One picture for the whole sermon

DRAW A STORY OR EXAMPLE

A Bible story, illustration, or moment

DRAW THE KEY VERSE

Turn the verse into a picture or symbol

DRAW BEFORE → AFTER

What changes when we live this out?

IN MY OWN WORDS — THE SERMON IN ONE SENTENCE:

If you can say it in one sentence, you understood it. Try it before you leave.

SHEET 03 • TAKE THIS HOME

APPLY IT

Don't just hear it — do one thing with it this week. Small and specific beats big and vague.

★ MY ONE THING THIS WEEK

One specific thing I will do:

Example: “Text Maya an apology by Tuesday” — not just “be nicer.”

Did I do it? Check a day each time you take a step:

MON ☐ TUE ☐ WED ☐ THU ☐ FRI ☐ SAT ☐ SUN ☐

VERSE TO MEMORIZE

Reference: _____

Tip: read it aloud morning & night.

PRAYER PROMPT

“God, thank You for…

Please help me to…

Please help _____ to…”

■ **Who could I encourage or share this with?**

Name one person. A 30-second share (“Here's what stuck with me…”) counts.

BRING THIS SHEET BACK NEXT WEEK • TELL SOMEONE HOW YOUR ONE THING WENT
